

Free Range Kids June Newsletter

We are having a dress up day on Wednesday 25th June Superheros and super villains please help to support this event by dressing your child up on this day

Superhero and super villain's ideas for costumes

Nursery News

Thank you to all the parents who have brought in photo's for their child's photo books. We are still in the process of making these so it's not too late to bring in photos. Our aim is for each child in the nursery to have a book all about them which we can share and look at

We are creating a display with photos of your children playing with toys that they have enjoyed here, please take the time to have a look at this great display in the room.

We are continuing to look at "all about me" in the program. So keep an eye out for what pops up on our walls.

We love parent participation so here are some ideas for you to contribute to our program

- Write comments or suggestions in our daily photo book
- Bring in re-cycled items for us to use in art and craft to play with
- Send along a storybook from home for us to read
- Share your talents and skills with us

Below are a list of items we are looking for, if you could help that would be wonderful

- Baskets
- Natural items such as bark, leaves etc.
- Empty plastic 600ml plastic bottles
- Wood off cuts
- Magazines

And last but not least some exciting news some of our children are moving from a cot to a bed, they are doing very well we are proud of them well done. This month we will be looking at under the sea starting with our story about rainbow fish

Until next time

Mrs Iso-Aho and Miss Godebye

Toddler News

I would like to introduce myself as the new Room Leader for Toddlers. I look forward to getting to know everyone in the Toddlers room and all the families to ensure I offer the highest quality care and education. We would like to welcome a new friend to the room Flynn, we hope you enjoy your time with us. Following on with our interest with transport we would like to ask for any donations of boxes, etc. to create some more cars, busses, trains, etc. your help would be greatly appreciated. Our seedlings have just started to sprout so we will be continuing on with this project as well. Hopefully they will grow big and strong enough to replant outside.

We will keep you posted on all our new projects throughout this month.

Thankyou

Miss Hopwood and Mrs James

Preschool News

Pre-schoolers have been exploring all kinds of jungle and zoo animals this month. The children have enjoyed making stripey tigers and zebras, swinging monkeys, Elmer the patchwork elephant and ferocious lions, and have loved going on bear hunts.

We have also been investigating a new letter of the week every week to give our children a head start on preparing for prep. The children have been very involved in brainstorming new words and their sounds. We have also trialled show and tell for all children this month. The children absolutely love showing off their important things to their friends and it really develops their confidence and oral skills. A more permanent system will be set up in the next few weeks to continue show and tell and will follow closely with the letter of the week.

This month we are diving into the deep blue and exploring under the sea animals.

Till next time

Mrs Jepson, Mrs Jenkins and Miss Brown

OVER THE NEXT FEW MONTHS WE ARE GOING TO START FUNDRAISING FOR THE ANNUAL CHRISTMAS PARTY WE ARE GOING TO KICK IT OFF WITH A PIE DRIVE FROM HOME-STYLE BAKE SO KEEP AN EYE OUT IN YOUR PARENT POCKETS OVER THE NEXT COUPLE OF WEEKS FOR THE ORDER FORMS. ALSO IF YOU HAVE ANY IDEAS FOR OUR CENTRE CHRISTMAS PARTY THIS YEAR PLEASE TALK TO ONE OF OUR FRIENDLY STAFF
