Safety In The Car park

Please be mindful when you drive in past our centre of a morning and afternoon as we have a lot of children entering and leaving at these times. We have witnessed a few cars driving quite fast lately and please remember to check your rear vision mirrors when reversing.

We have not had any accidents in our car park and would like to keep it that way

Please slow down and watch out for children

OUR MENU

We are currently updating our menu and we know children can be fussy if you have any recipes your children love at home we would love for you to share them with us. Alternatively if we cook something here your child loves we are more than happy for you to request a copy of the recipe to cook at home. All our recipes undergo an assessment to make sure that the content is nutritional and healthy

KINDY PHOTOS

Class photos will be held on 16th September this year. We are trialing a new company (GoPortraits) Their pack is very affordable with great quality photos

Policy Review Section 5

If you would like to input please write comments in the policy review folder hanging next to parent pockets by Friday 22nd May

Nursery News

We have been very busy in the Nursery this month learning about healthy lifestyles and the different ways that we can move our bodies. The babies have been enjoying spending more time outside and getting active.

We would like to welcome our new friends to the room, and please remember to pack a light blanket for your child as it gets colder.

As you arrive in the morning could you please remember to fill in your child's information on the top of our day sheet located on top of the lockers This helps us to provide the best possible care for your child and we then know exactly where your child is up to and what they need next

Thank you Mrs I and Miss Sutton

Hello Toddler Parents

My name is Miss Milton and I am the new group leader in the Toddler room. I have transferred over from our Laidley 2 center and I am looking forward to getting to know all of our children and families. If you have any concerns or would like a chat please see myself or Miss Brown

It is Mothers day this weekend, we have made a small gift for our mothers. Please take them home and have a wonderful day.

This month we will be looking at our environment focusing on our animals and our plants

Miss Milton and Miss Brown

Schoolies News

Over the past few weeks the schoolies have been learning about the importance of recycling. We have made all sorts of cool things from recycled materials. I'm sure the desk organisers have gone to good use. we have also been busy making some awesome mother's day presents, I am sure all the mums will love them.

During this month the schoolies will be role playing. Some scenarios will be Doctor/Patient, Teacher/Student, Families, and Shop assistant/Customers etc. So there will be lots of fun and laughter.

I would like to wish all the fantastic, hardworking beautiful Mums a HAPPY MOTHERS DAY, I hope you all get very spoilt
Until next time Miss Brown

Preschool News

The preschool room had an awesome time learning about scientific experiments last month. We visited the Cobb and Co Science museum in Toowoomba, made volcanoes explode, and experimented with magnets, made water walk and lots of other enquiry based experiments.

This Month we will be exploring farms and learning about farm animals, things we grow on farms and what farmers do. We will be organising a couple of excursions throughout the month and are looking forward to having a lot of fun

We are still waiting on USB'S and scrapbooks for your child's artwork and pictures if you haven't already supplied these please do so by the end of this month as if we do not have a USB to transfer them to by the end of this month we will have to start deleting photos as we do not have the capacity to store them all.

It is now getting quite chilly in the mornings now so please make sure your child comes to the centre with a change of clothes for during the day as the daytime is still quite warm and we do not want any children to overheat. Could you also please supply a top sheet or light blanket for rest time for a little extra warmth.

Cheers Mrs Jepson and Miss Godebye
