Hi and welcome to our August Newsletter . I would like to first up by making welcome all our new Families starting this month into Day Care and their Children. Wow what a busy month we have had with our Book Character Dress up week which was great it was wonderful to see so many children dressing up and staff too. We also Celebrated Free Range Kids 8th Birthday this month. I would also just like to put some reminders out to all our families. Please don't forget hats for sun safety ,shoes and a jumper as its still cold of a morning and a scrapbook for your child's art work if they are just starting in care. This book will be returned to you by us and your child at Christmas time. The Safety concern that I would like to discuss is siblings picking up children in care. If you have School age children coming in with you to pick up your child in care please do not let them open the centre doors or gates or leave without you to our car park area By themselves. This is a Safety Concern for all. Please be aware what your school age child is doing whilst here at Free Range Kids. Also for those children travelling on our Free Courtesy Bus just a reminder to be ready when the bus dose arrive for pick up in the mornings and drop offs in the afternoons as the Bus is on a very tight schedule . Your help in this matter would be very much appreciated. Direct Debit and Centre pay Changes are all coming through Now and Family Statements will be put out this Friday. Well have a wonderful rest of month of August please check out the upcoming events for September as it is upon us already. All the Team at Free Range Kids.
