What's happening this Month!

Nursery Room:- Last week we enjoyed exploring New Zealand and celebrating Waitangi Day. We thank the Chambers Family for their help with things to explore and sharing their culture with us. This week we have turned our attention to developing our fine motor skills through craft. Exploring pencil grip and control as we draw and create pieces of artwork. If you haven't already yet supplied us with a scrap book we ask that you please do so soon so we can start filling it with artwork and photos.

Mrs. Swinger and Miss Jones.

Toddler Room:-

Dear Toddler families,

We would like to take this opportunity to remind families of our family tree in our room and if you haven't already could you please supply us with a family photo for our leaves. Thank you to Family's who have bought photos in. Also we would like to tell you about a new idea we are going to implement with our sunscreen in the day. We will be setting this up for parents to use .After you apply sunscreen to your child when you arrive at the centre in the mornings we ask you then to give your child a stamp on the hand so we know who has had sunscreen applied. We would appreciate your help in implementing this with us.

A big Thank You in advance.

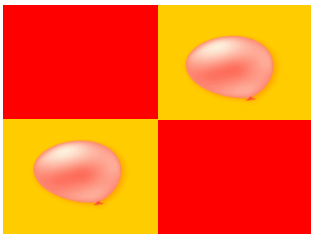

Kindest Regards

Miss Paroz and Miss Graham.
