Hi Families, The Nursery Children have been settling in well to our room. As you can see we have been busy creating our beautiful space theme on the veranda with our Toddler friend's. ### Toddlers Room

Hi Families , What a busy start to the year, we have already lots of projects going on. We have asked parents for family photos so we can make a Family Tree using the leaves to write up about the children's interests at home. If you have a Family photo we would love to put it on our tree. Also at the moment we have currently our Sustainability Project under way from our local Shops . The Project is for the Children to decorate Recycle Bags, with the Reduce, Re-use and Recycle Message then we send them back to the Shopping Centre for the customers to use. The children have enjoyed decorating them and learning the Message. We would like to also say a HUGE THANK YOU to the parents who have Donated seeds and plants for our garden.

Until next time Miss Paroz and Mrs Graham.
