## **What's happening this Month!**

**Junior Kindy Room:-** Hi all in Junior Kindy.

Last month we had an interesting time learning about our bodies and health. This month our focus will be on name recognition and animals. We will learn about where animals live and what they eat. We are setting up the “Ant Circus” so we can see how they tunnel underground and store food. As part of our on going focus we will continue our ABC’s in song and select our letters for sitting on, as well as number songs, shapes and colour recognition. I would also like to make Welcome Miss Milton to our room. Until next time Mrs. Woods and Miss Milton.

**Senior Kindy Room:-**

Wow already in the month of July and hasn't the time gone fast . We are doing so well and learning a lot. Throughout this month we will again focus on our name recognition and name tracing and writing as well as our personal hygiene skills. Correct Hand washing. We would like to say Happy Birthday to all having a Birthday in July and hope you have a great day. Please remember it is important that your child has a hat ,spare clothes ( including spare warm clothes) as well as sheet/ blanket for rest time and that all items are clearly named. Please also ensure you have had your 4years Medical check up before school and that if you have any concerns with Speech, Hearing, Physiotherapy and Occupational Therapy . Please see your local Doctor, or call into the Drop in Clinic at Laidley Hospital William Street on the 13th August between 9:30 and 11:30. Smile and have fun in the Kindy Room. Mrs. Earley and Miss. Mac.
