

Free Range Kids—Laidley 1

MARCH 2015

What's happening this Month!

Nursery Room:- Our Nursery Friends have taken interest this month in the sea and water. We will be extending on this further throughout the month as we explore natural elements ice, water, sand and shells. Please remember that every child needs to supply cot sheets for rest time and we ask that one must be a fitted sheet. Don't forget plenty of spare clothes too please. Until next time

Mrs. Swingler and Miss Jones.

Toddler Room:-

Dear Toddler families,

Firstly I would like to put a reminder out to families about our Family Photo's for our family tree. Please bring along one if you haven't already. I would also like to take this opportunity to Thank our parents who have come on board with applying sun screen to their child/ children in the morning's. We have been busy in the room working towards a Jungle Theme. The children have really responded to it, talking about the animals during nappy changes. We have also started doing some Yoga exercises on a regular basis with the children, moving their bodies. All the children have attempted this or given it a go ,Thanks Mrs. Graham its wonderful to watch them.

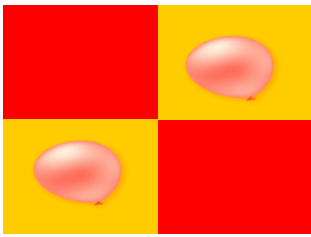

Kindest Regards

Miss Paroz and Miss Graham.

MARCH 2015

What's happening this Month!

Junior Kindy Room:- Hi all in Junior kindy we have been learning the Alphabet, looking at colours of our clothes, blocks, trains and train tracks and more. Dinosaurs have also been a favorite, Slimy, stretchy ones, stories and Posters. Numeracy this month has been with bumble Bee Bop— Being bee's and collecting our bees from flower pots ,then sitting down and counting what we have collected. A dot to dot from 1-5 framing a kite so the children recognize the numbers. Our Easter Baskets are well underway and have been glued and painted .We also painted Eggs to-day—very exciting craft. Until next time Mrs. Woods and Miss Sargood.

Senior Kindy Room:-

What a wonderful start to the year we have had. We have started our A,B,C's and are doing very well at this .Please don't forget to check out your child's artwork around the room. We have also been working on our science experiments using coloured water and the children have been very involved in this. We will continue to work on this month with our ABC's, colours, shapes counting and also working on our name recognition and name writing skills as well as our manners. We are also in the process of setting up the Reading Eggs Program for the Senior Kindy Children only within our centre and for you to access at home a letter will be coming home shortly explaining details. Please feel free at anytime of you have any concerns or questions to please see either myself or Mrs. Mac Until next time have fun.
Mrs. Earley and Miss. Mac.
