## 2015 Bookings and Dec-Jan Holiday Bookings

It is that time of the year when we need to start planning for the Christmas holiday period and bookings / vacancies for 2015. With this you will receive a Booking Form , Update Details Form and an information letter Explaining information over Christmas period and next Year.

The aim of this form is to gain information from families about their requirements for 2015 in regards to enrolments, new sibling enrolments and holidays over the Christmas period.

We request this informa-

tion at this time of year as we need to inform parents on the waiting list before December of places available for next year.

Over the December / January holiday period is when many of our staff enjoy a break with their

families. We are unable to authorize staff holidays until we are aware of numbers of the Christmas Period.

Please complete the booking form and return to the Centre by Friday 14th November 2014 to assist us with this process. If you have any questions regarding this information or the form please come and see Tracey.
