What's happening this Month!

Nursery Room:-

Nursery Friends,

With the change of season upon us please don't forget hats, t-shirt and sunscreen when coming to care and if your child is unwell with the few illnesses that are going around at present please be vigilant and keep them at home to avoid any cross infection. This month we are working on our Language skills lots of single word use and combining words together . We are all meeting lots of milestones at the moment with our friends ,crawling, sitting and walking. Until next time

Mrs. Swingler and Miss Jones.

Toddler Room:-

Dear Toddler families,

Well the warm weather is here, first thing just a reminder to mum's and dad's is to put sun-screen on their own children when arriving at the centre of a morning please .Its a great way for you as parents to be involved in our sun safe policy. Thank you. We have been using our drink bottles in the room and have been stopping regularly to drink. The children love this . Please remember spare clothes as we will soon be starting our water play in our program. We cant believe it' will soon be the end of the year ,so we will be starting to practice our Christmas songs for our Christmas Concert. Busy ,Busy ,Busy. Until Next Time

Miss Paroz and Miss Graham.

What's happening this Month!

Junior Kindy Room:-

Hi Junior Kindy,

Junior Kindy is focusing on Sustainability this month including all things we do in everyday Life. We will be looking at food ,nature, plants re-using paper and packaging. We have already used coconut ,food coloring and water and corn flour to make paint. Which we used on recycled paper. We also plan to make our own healthy drinks by using spinach ,carrot, banana, watermelon and yoghurt to make smoothies. As apart of our Healthy Eating and also Encouraging Exercise. It is good to see all children having a go at the monkey bars and balance beams some are trying these for the first time and having fun. Mrs. Wood and Miss Milton.

For our Family's and children moving to the senior Kindy next year don't forget we run the Queensland Kindy program same as other Kindy's in the Lockyer area, Benefits here we are open from 6am-6pm ,program commencing from 9:00– 2:30, we supply all meals so no lunchboxes and we have our courtesy bus. If you would like to set up a time to see Mrs. Earley about the program give us a call

Senior Kindy Room:-

This month we will be rehearsing for our Graduation performance, invitations will be going home shortly. We were lucky enough to be invited to Karinya's Grandparents Day. All children in attendance had a fantastic day, with a jumping castle, face painting and more. In the room we have been talking about road safety, practicing of the road rules to safely cross the road. We have also made some traffic signals, zebra crossing and the walk signals. We are still focusing on name recognition all children are getting quicker to find their name . It is now getting very hot outside now and we will be having some water play activities happening so please ensure you have a spare change of clothes in your child's bag.

Thank You Mrs. Earley and Miss. Mac.
