What's happening this Month!

Nursery Room:-

This is the month of preparations. Preparing our fathers day gifts, preparing for spring festival and the decorations we are contributing to the float. Preparing the garden bed ready for planting and last off preparing for warmer and possibly wetter weather. Please remember to send a cooler change of clothes and a lighter top sheet.

Mrs. Swingler and Miss Jones.

Toddler Room:-

We have been very busy in the toddler room in the last few weeks, preparing our Fathers day gifts. Hope you enjoy them Dad's. We now have the spring fair coming up on the Saturday 12th September. Please feel free to bring your child along to join our float. We recently had a donation of some seedlings so the toddlers have been busy watering them with the watering can. Welcome to Spring. Take care till next time.

Miss Paroz and Miss Graham.

Spring has Arrived

With the weather warming up we ask that parents remember to pack a cool change of clothes and plenty of spares. Soon it will be time for lots of water play!

Also don't forget to apply sun cream to your child as they arrive at the centre each morning and give them a stamp. Stamps and sun cream are available on top of the lockers.

Up coming Events

- ♦ **11th– Are you ok? Day**

Our centre photos will be done over these two days. The envelope is in parent pockets now. This year we are going to do group photos and have booked a time in for each class room. What's happening this Month!

Junior Kindy Room:-

Happy Fathers day to all our families.

Now that we have finished all of our fathers day craft we will now be starting on our spring festival craft. This month in the room we are focusing on letter recognition, number recognition, colours and shapes, writing and correct pencil grip.

Mrs. Woods and Miss Milton.

Senior Kindy Room:-

Welcome to the Kindy room to our new friends and their families. We hope you enjoy your time in the room. We would also like to wish all our friends a happy birthday over the coming month.

Over the next month we will continue to work on our name recognition, counting, colours, shapes and letter recognition. We are all getting very excited as we start to visit our schools for next year and there has been lots of talk about our new schools.

Please remember to include spare clothes, a hat for play (no hat no outside play) and sheets for rest time. If you have any questions or would like to organize a time to sit and discuss your child's progress, please come book a time with Mrs. Earley.

Mrs. Earley and Miss. Mac.

KINDY ROOM 2016

Here at Free Range Kids we run a government approved Kindy program. This program is for children who will be attending school in 2017 and born before 30th July 2012. Parents who have a health care card are able to receive a subsidy on their child's fees. This program is run by our lead Educator Mrs. Julie Earley between the hours 9:00-3:00 daily (Children are able to attend for the full day 6am –6pm as they need).
