

Welcome to May and June

## Welcome to our May /June newsletter

**Items coming to care-** Just a reminder to all parents to check their Childs bags before sending them to daycare, especially after a weekend away/out. All Rooms except the babies room have access to their bags to get out their hats , sheets etc. We have found in bags of past Boxes of panadol, Cigarette lighters ,Cigarettes, Medication, Alchahol, and adult underwear these are just a few of the unusual items that we have had come to care. I cannot stress enough to parents, carer's and guardians to know what's in your child's bag and what they have put in their bag each day before they come to care.. Please Check.

### What we have been learning at care;-

**Babies Room;-** Last week we had an indoor playground as apart of our room we all practiced our movement and gross motor skills. All ages were able to play as they tried rolling, crawling ,walking ,climbing and jumping around and over the equipment . Watch out this month as we slowly transform our room in to an ocean. Until next time .Mrs. Swinger and Miss Sargood

**Toddlers Room;-** This last moth we have enjoyed lots of outside physical play, practicing our gross motor skill ,Running ,throwing kicking a ball and climbing. June we will turn our focus onto colors and shapes .With lot of different activities planned. Until next time Mrs Kunde and Miss McClelland

### Junior Kindy:- ALL THINGS NATURAL

Month of May we have been building our Bodies and keeping healthy Lots of outside play on playground equipment- Learning how to balance. We have also been watching our carrots, celery and sweet pea grow . We have been tenderly been nurturing them and watching them grow with help from us watering them and the sun. Lots of stories about bugs showing how they protect and help our plants. Our New Friend Thomas (MONKEY) has joined the room he is now in residence , he helps to settle and calm our room. We have painted our sun and made some rain clouds for our room and outside we have focused on our garden pulling weeds out and getting it ready so we can plant our seedlings. Lots to do this month. Until next time Mrs. Wood and Miss Jones.

**Senior Kindy Room:-**We have been very busy in the Senior kindy room concentrating on our Alphabet this month with a different letter being focused on each week and the words that start with this letter. We love our changed around room that we have made with all our friends help and our reward books are working well in the room and are very popular. Feel free to ask Miss Crabbe or Mrs. Early Any Questions or any queries at any time. Until next time Senior Kindy staff.

Enclosing updated details form please return by 13th June with changes.

Until next time take care and stay warm and safe. All the staff at Laidley 1.
