Centre Photos 23RD and 24th September 2014

Please remember to return your photo order envelope to the Centre by Wednesday 17th September. If you have lost yours we have some spare envelopes in the office. If your child does not normally attend on Wednesday or Thursday you are welcome to bring them in on either day to have their photo taken.

Holiday time is coming

If your child is going to be away during the school holidays please let the office know so we can arrange our staffing.

We also have vacation care forms for school aged children available in the office.

Have you checked you child for head lice this week?

We need your assistance in checking your child for head lice and treating them when necessary. Thank you for Your continuing Assistance..

It's getting warmer

As the weather is now becoming warmer please ensure your child has a t-shirt and shorts/skirt in their bag as tracksuits may be too warm in the middle of the day.

We are also noticing some children are coming to care without a hat. Please ensure your child has a hat everyday so they are able to participate in all outdoor activi-

ties. We have Free Range Hats for sale in the office for \$13 if you require one for your child.
