November 2015

What's happening this Month!

Nursery Room:-

Hi Nursery Friends,

We have been busy gardeners this past month, twice harvesting lettuce from the garden and eating them on our sandwiches for lunch.

YUMMY. We look forward to eating more veggies from our garden this month with the beans looking great. Christmas is fast approaching and if you have any ideas for craft we would love to hear from you. Donations of old Christmas decorations or cards would also be much appreciated.

Thank you all for being great parents.

Mrs. Swingler and Miss Jones.

Toddler Room:-

Dear Toddler families,

Well November has arrived and Christmas activities are starting which is always fun. We have also started practicing our song for the concert. Reminder with the weather becoming warmer parents please put sunscreen on your child in the morning and use the stamp provided so we know that it has been applied. Recently we did something very exciting, the children helped pick a lettuce from our Vegetable Garden. Miss Emma used it on our sandwiches for lunch. Our aim is to show children the process of growing /watering and harvesting our food we eat for healthy lunches. Have a great month,

Miss Paroz and Miss Graham.

Returning of Enrolment forms 2016

- *Don't forget to hand your re-enrolment form into the office for processing. These needed to be in by the 23rd of October to guarantee a place for next year. I am now processing names on our waiting list.*

November 2015

What's happening this Month!

Junior Kindy Room:-

Hi Junior Kindy,

Last month in Junior Kindy we worked on sustainability and recycling, This month we are looking at emotions happy, sad and also sharing with others . We are also working on our alphabet, colours ,shapes and numbers. Counting 1-20 and more. We will be doing lots of physical play this month using our gross motor skills. We are also practicing our Christmas song and are very excited about the Christmas Concert. Until next time . Mrs. Wood and Miss Milton.

Senior Kindy Room:-

Welcome to the month of November in the Kindy Room. We would like to wish all our families and friends a Happy Birthday for this month and we hope you have a great day. We have started our morning tea lunch boxes and will continue this until the end of the year. Please remember only healthy food(if you would like to pack your child an apple for lunch we can make a slinky out of it).

Please also place an ice brick in your child's lunch box as their lunch boxes will be staying with their bag over the course of the day. Also a water bottle for you child with name and only water in it (NO JUICE or CORDIAL) Please. We have also removed rest time, during this time your child will complete quiet activities in the room , while the other rooms sleep. Some beds will be available for your child if they choose to have a rest but that will be their choice. We are also working on our Graduation and Christmas Dances throughout this month as we are all getting very excited about them. Mrs. Earley has started Transition reports for each child and these will be given out at the start of next month. The weather is now becoming a lot warmer so please don't forget to supply a hat and spare clothes for your child, each day of care. If you have any concerns please feel free to speak to us. Have a great month.
Mrs. Earley and Miss. Mac.
