

JULY 2014

FREE RANGE KIDS LAIDLLEY 2

Kindergarten Program

Our Kindy program has received approval to be part of the Queensland Government Kindergarten Approved Program. We are currently finalizing the paperwork for this and should be up and running for our new Kindy Teachers start date.

If your child is Kindergarten age (starting prep next year) and you have a health care card or pension card, you may be entitled to funding for the Kindergarten Program. Please bring your card to the Centre so we can take a copy.

It is expected our new Kindy Teacher, Mrs Elizabeth Miles will be starting before the end of month. We regret that we do not have an exact date at this stage. This is due to Mrs Miles relocat-

ing to the area and is currently going through the process of organizing the move of her and her family. We will inform you of her start date as soon as it is finalized.

New Financial Year

It's that time of the year where you may have had a change in your Child Care Benefit and Child Care Rebate entitlements due to you updating your income for the new

financial year with the Family Assistance Office.

If you have had a change in your Child Care Benefit or your Child Care Rebate or

the way you have chosen to have these paid, it will effect your gap fee that you pay to Free Range Kids for your child's care.

We will not receive

any notification of changes until the third week in July. If you have a new Child Care Benefit percentage and would like a quote for child care, please see Mrs Lloyd.

Farewell Miss Paroz ...

Miss Julie Paroz has been working with our School Aged Children for the past 5 years. Her enthusiasm and entertaining nature has brightened everyone's day here

at Free Range Kids Laidley 2 for the past 18 months.

We are very sad to say that we won't be seeing her everyday as she has chosen to take up the role as

Group Leader in our Toddler Room at our Free Range Kids Laidley 1 Centre from Monday 28 July 2014.

We are currently interviewing for a suitable replacement for

the Group Leader in the Schoolies Room and will keep you informed of the successful applicant. If you have any questions please see Mrs Lloyd.

Immunisation Records

Did you know that if the Centre has a reported case of a disease in which you can be immunized against and you have not supplied the Centre with your child's immunization record, your child will be unable to attend care? Avoid this scenario by providing us with an up to date copy of your child's immunisation status.
