

Parent Educator Interviews

Reminders

- **Tum Tum Tinka Excursion Tuesday 9th June 2015**
- **We will be closed on Monday 8th June due to the public holiday.**

At Free Range Kids we encourage communication between families and the educators, however with busy lives and busy children it is sometimes difficult to have a formal discussion with educators. We would like to offer you the opportunity to book a formal interview time with your child's educator to discuss their development and participation in the programs here at Free Range Kids.

We would like to schedule the majority of interviews from the 22—26 June 2015. To

book your interview time please see Mrs Lloyd or your child's lead educator.

Please remember that you do not have to wait for us to invite you for an interview. You are welcome at any time during the year to plan a suitable time to speak with your child's educator, however please be aware that the educators may not be able to speak with you at drop off and pick up times without prior arrangement as the children require their attention.

Policy Review

This month we are reviewing Policy section 6 which includes our safety policies and procedures.

If you wish to be a part of this process please see Mrs Lloyd.

Vacation Care Forms for our School holiday period are out now!

If you have a school aged child who needs some entertainment over the school holidays, please complete the Vacation Care Booking form and return with any excursion money to the centre by Friday 19th June. Forms can be found in your child's pocket or can be collected from the office.

International Mud Day

On Monday 29 June the children and educators at Free Range Kids Laidley 2 will be participating in International Mud Day!

International Mud Month happens in June and is a global movement which aims to encourage children and early childhood professionals to celebrate nature by getting glorious gooey in mud. As it is winter here in

Australia we won't be able to get as physically involved as some of the countries in the northern hemisphere but we can still experience the creativity and sensory opportunity mud provides.

We suggest on this day your child wears old clothes and brings a change of clothes.

We will be providing aprons for some of the messier activities but we do expect some

JUNE 29

splashes and muddy accidents'. Some of the activities on offer for children will be mud pits, mud painting, a mud kitchen and mud modelling. We will also be looking at all the different ways we play with mud around the world.

Rest Time Requirements

Under the Child Care Regulations, children are required to have a rest or sleep during the day. Families are required to provide linen for their child and we only have a few spare sheets and blankets for use in emergencies. As we can only use our sheets once and send these out to be laundered weekly, we are unable to continue to accommodate the increasing number of children who do not bring a sheet from home. Please ensure your child brings a named sheet to day care to place on their bed.

Immunisation Update

We are currently updating the children's immunisation information. If your child has had an immunisation since enrolling at the centre or you have not provided us with a copy of your child's immunisation history, please bring in your child's child health book or immunisation letter for us to copy or you can take a photograph of the record and email it to the Centre at frklaidle2@bigpond.com

We're on Facebook!

Free Range Kids – Laidley 2 has their own Facebook page. Simply go to our Facebook address and like the page and you will be kept informed of Centre activities and special things that are happening around the Centre.

If you have signed the publicity permission section in your child's enrolment form, however do NOT want their image on our Facebook page please see Deyana.
