# SEPTEMBER 2015

## IS YOUR CHILD GOING TO PREP NEXT YEAR?

Our Kindy staff are getting ready for the busy end of the year for all our children who are transitioning to school in 2016.

To assist us with your child's transition please let us know what school your child will be attending in 2016.

Most schools have their orientation programs available for parents as these start early in term 4 (October 2015) so if you

have not received a copy of your child's new school's program, please let us know as we have copies available at the Centre for most local schools.

We will be beginning the transition reports for each child and expect these will be available to parents in early November. It is important that these are passed onto your child's school to assist

them in ensuring a smooth transition into school.

If you have any other questions regarding our transition program for the Kindy aged children, please see Miss Morris or Mrs Lloyd.

**Woolworths Earn & Learn program**

The Woolworths Earn and Learn Program has come to an end. If you have any stray stickers or sticker sheets at home we would love to take them off your hands. Please return to the Centre ASAP.
