**Wattle Grove** – Mrs Mohr & Mrs David

**Banksia Way** – Mrs Paroz & Mrs Airey

**Float Assistant** – Miss Courtney

### Time For School

This month we see a number of our families transitioning their children off to school for the first time. All the staff from free range kids would like to wish them all the best with their journey through school and we would love to see you for before or after school care or even vacation care.

WE would like to offer our support with this transition process as we are well aware that it can be daunting for both parents and for students if there is anything we can do just ask

Take care and all the best

### The New Year

This year we will be doing a center wide focus on numeracy and literacy, as we have been made aware with the latest AEDI results that we need to improve in this area

If you have not seen the latest AEDI Results take a look at how our local schools have scored please go to <http://maps.aedi.org.au/>

### Immunisation Update

We are currently updating the children's immunisation information. If your child has had an immunisation since enrolling at the centre or you have not provided us with a copy of your child's immunisation history, please bring in your child's child health book or immunisation letter for us to copy and keep on file

### Family Holidays

If you have been on a recent holiday we would love to hear about it, if you could bring some photos in or e-mail them through to share with your child's class that would be great
